01 Intencv — «Same experience. Different outcome.»

referest · referest · www.intencv.com

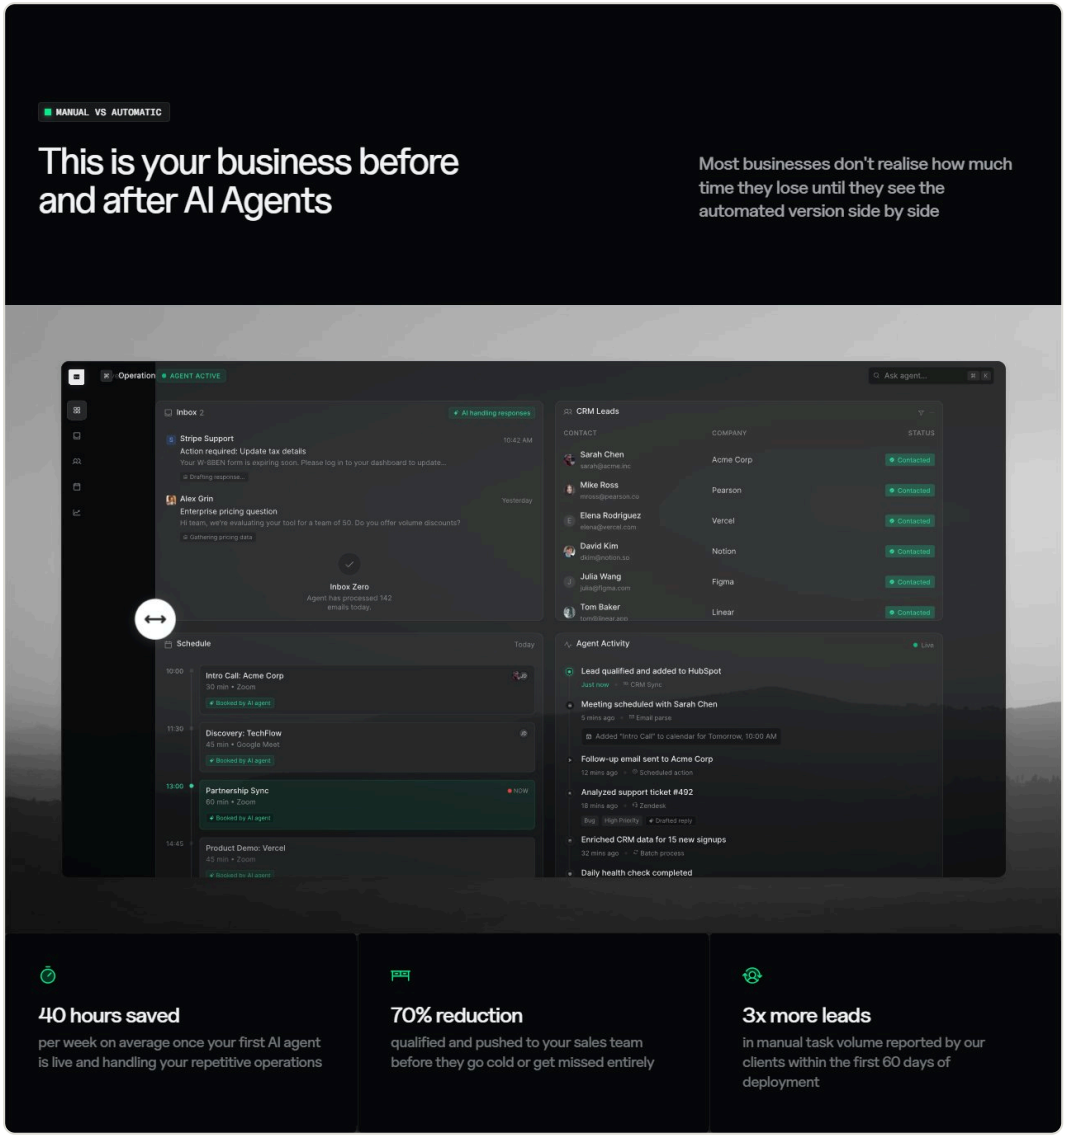

Состояние 1

BEFORE & AFTER
Same experience. Different outcome.
Your resume probably isn't bad — it's just not aligned yet. Drag to see how the same experience performs when tailored to a specific role.
BEFORE: GENERIC RESUME
AFTER: TAILORED FOR THE ROLE
Bart Andrzejewski
Design Lead, Product
asap@bartbeyond.art · linkedin.com/in/bart-andrzejewski · bartbeyond.art
EXPERIENCE
Senior Product Designer
2021 — Present
Affirm · Remote
Led cross-functional redesign of the analytics dashboard, lifting product metrics engagement by 34%.
Built a scalable design system adopted by 6 teams — cut ship time per feature from 4 weeks to 9 days.
Owned data-heavy UX for reporting surfaces; partnered with data science on funnel instrumentation.
Product Designer
2018 — 2021
EY · Toronto
Redesigned merchant SEO tooling in collaboration with the SEO & analytics team; +22% weekly actives.
Shipped an onboarding flow backed by A/B testing and cohort analysis — cut drop-off by 18%.
CORE SKILLS
Design systems · Product metrics · Analytics & experimentation · Figma · Cross-functional leadership
Missing in the original:
Product metrics
Data-heavy UX
SEO workflows
MATCH SCORE
78% +36%
+6 skills matched
+3 keywords added
Experience reordered
Stronger leadership signals
Ready to apply
Same experience. Reframed for the role. That's what gets interviews.

02 Operator — «This is your business before and after AI Agents»

интернет · oma-operator.framer.website

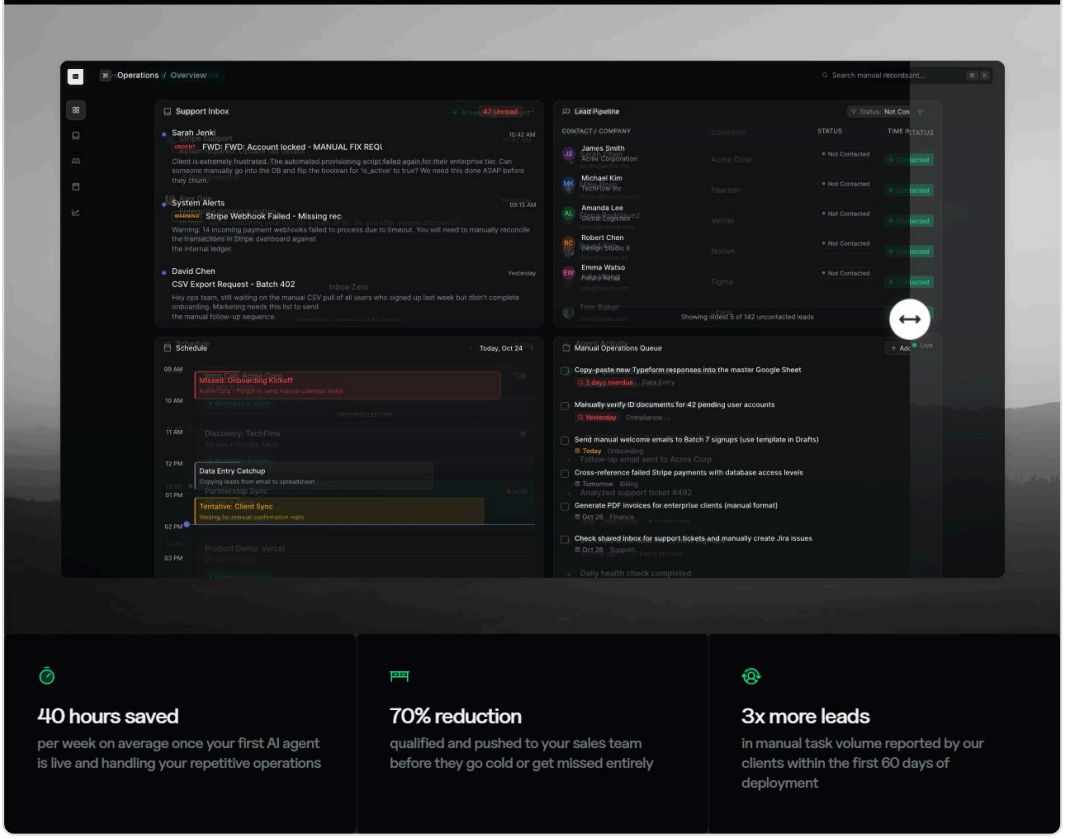

Состояние 1

MANUAL VS AUTOMATIC

This is your business before and after AI Agents

Most businesses don't realise how much time they lose until they see the automated version side by side

40 hours saved

per week on average once your first AI agent is live and handling your repetitive operations

70% reduction

qualified and pushed to your sales team before they go cold or get missed entirely

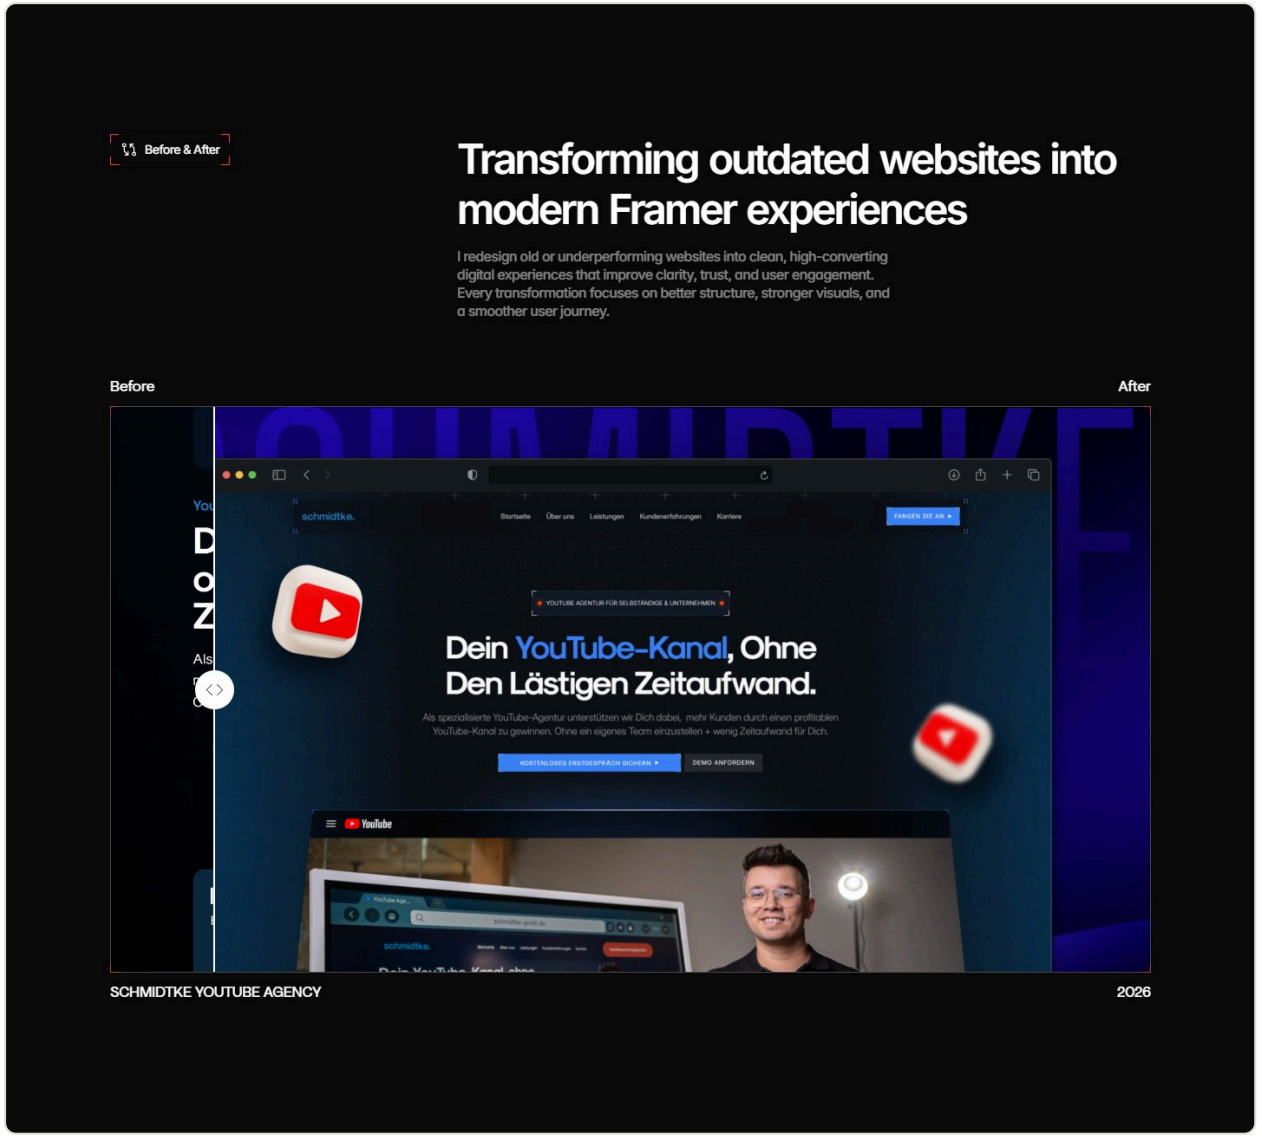

3x more leads

in manual task volume reported by our clients within the first 60 days of deployment
